

MOVING FORWARD

OUR PROS SHARE HOW THEY PREFER TO SHELTER IN PLACE AND HOW THEY'RE GETTING BACK TO BUSINESS WITH AN EYE TO A SAFE AND HEALTHY FUTURE.

AT WORK

Biggest Change: More paint consultations and planning a home office space. **Upcoming Trend:** Injections of abstract, brighter colours coupled with softer foundation pieces. **Worth The Splurge:** Great art, oversize and dynamic, that fits your personality and lifestyle. **Best Part Of The Job:** Reviving a tired, outdated space, making it feel new and refreshed. **Worth Noting:** We offer full-service home-staging services for vacant or occupied homes, house flips, model homes and Airbnbs.
